Expenditures of Federal Financial Relief Related to COVID-19

In 2020 and 2021, Congress enacted six pieces of legislation to address the impact of COVID-19:

- 1) Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 — Enacted March 6, 2020
- 2) Families First Coronavirus Response Act (FFCRA) – Enacted March 18, 2020
- 3) Coronavirus Aid, Relief, and Economic Security (CARES) Act – Enacted March 27, 2020
- 4) Paycheck Protection Program and Health Care Enhancement Act — Enacted April 24, 2020
- 5) Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) – Enacted December 27, 2020
- 6) American Rescue Plan Act of 2021 (ARPA) – Enacted March 11, 2021

According to estimates from Federal Funds Information for States (FFIS), through these six laws approximately \$52 billion is expected to be directed to Illinois state and local governments (including counties, cities, universities and mass transit districts) and healthcare providers to address COVID-19 response needs. This amount does not include federal assistance programs such as stimulus checks to households, unemployment insurance assistance for individuals, and the Paycheck Protection Program for small businesses.

A large sum of direct aid came to Illinois through a provision in the CARES Act which created the Coronavirus Relief Fund (CRF) for state and local governments. Illinois' share after direct allocations to local governments was \$3.519 billion to cover the state's necessary incurred expenditures in response to COVID-19 between March 1, 2020, and December 30, 2021. Funds were used for agency operational response costs, grants to healthcare providers, rental assistance, grants to small businesses and childcare providers, and grants to local governments. The Coronavirus Relief Fund has been fully expended.

To ensure Illinois fully expended its ARPA/State and Local Fiscal Recovery Funds (SLFRF) \$8.128 billion allocation within the allowed timeframe set by the federal government, state payments made with State moneys in fiscal year 2023 that satisfy federal SLFRF requirements were substituted for authorized appropriations that had not yet spent out. State funds to honor the original appropriations were then authorized in the fiscal year 2024 budget to continue to meet those obligations. Consistent with federal reporting guidance, another \$1.363 billion of SLFRF was allocated to repaying Title XII advances to the Illinois Unemployment Insurance Trust Fund, bringing total support of the fund to just over \$4 billion, and \$1.8 billion was utilized for revenue replacement support of government services, approximately \$300 million above previously planned amounts. To accomplish the above, two transfers – a \$1.362 billion transfer from the State CURE Fund to the General Revenue Fund and a \$300.3 million transfer from the State CURE Fund to the Essential Government Service Support Fund -- were executed. Separately, pursuant to P.A. 103-0008, \$424 million was transferred to the Build Illinois Bond Fund and \$938.6 million to the State CURE Fund to support the appropriations from those accounts in the fiscal year 2024 budget.

Expenditures of Federal Financial Relief Related to COVID-19

Chart 1 and the accompanying table illustrate spending of the State's allocation from SLFRF to provide COVID-19 relief by major category. In several categories, amounts for the enhanced federal awards are combined and will not directly line up with COVID-19 response award amounts. Chart 2 illustrates a breakdown of subawards for negative economic impact projects by agency. These projects are being managed by state agencies to promote a strong and equitable recovery from COVID-19.

The purpose of the Commission is: to monitor budget management actions taken by the Office of the Governor or Governor's Office of Management and Budget; to oversee the distribution and expenditure of federal financial relief for State and local governments related to the COVID-19 pandemic; and to advise and review planned expenditures of State and federal grants for broadband projects.

(b) At the request of the Commission, units of local governments and State agency directors or their respective designees shall report to the Commission on the status and distribution of federal CARES money and any other federal financial relief related to the COVID-19 pandemic.

(c) In anticipation of constantly changing and unpredictable economic circumstances, the Commission will provide a means for the Governor's Office and the General Assembly to maintain open communication about necessary budget management actions during these unprecedented times. Beginning August 15, 2020, the Governor's Office of Management and Budget shall submit a monthly written report to the Commission reporting any budget management actions taken by the Office of the Governor, Governor's Office of Management and Budget, or any State agency. At the call of one of the co-chairs, the Governor or his or her designee shall give a report to the Commission and each member thereof. The report shall be given either in person or by telephonic or videoconferencing means. The report shall include:

(1) any budget management actions taken by the Office of the Governor, Governor's Office of Management and Budget, or any agency or board under the Office of the Governor in the prior quarter.

(2) year-to-date general funds revenues as compared to anticipated revenues;

(3) year-to-date general funds expenditures as compared to the Fiscal Year 2021 budget as enacted;

(4) a list, by program, of the number of grants awarded, the aggregate amount of such grant awards, and the aggregate amount of awards actually paid with respect to all grants awarded from federal funds from the Coronavirus Relief Fund in accordance with Section 5001 of the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act or from the Coronavirus State Fiscal Recovery Fund in accordance with Section 9901 of the federal American Rescue Plan Act of 2021, which shall identify the number of grants awarded, the aggregate amount of such grant awards, and the aggregate amount of such awards actually paid to grantees located in or serving a disproportionately impacted area, as defined in the program from which the grant is awarded; and

(5) any additional items reasonably requested by the Commission.

[...]

(d) The Legislative Budget Oversight Commission shall consist of the following members:

(1) 7 members of the House of Representatives appointed by the Speaker of the House of Representatives;

(2) 7 members of the Senate appointed by the Senate President;

(3) 4 members of the House of Representatives appointed by the Minority Leader of the House of Representatives; and

(4) 4 members of the Senate appointed by the Senate Minority Leader.

(e) The Speaker of the House of Representatives and the Senate President shall each appoint one member of the Commission to serve as a co-chair. The members of the Commission shall serve without compensation.

(f) As used in this Section:
